Dear Friend of Scouting:

Scouting has a rich history of developing youth who go on to serve our local communities, States, and Nation as outstanding citizens and leaders. Each year, our Boy Scouts campaign premiere event supports scouting programs. Your contribution is an investment not only in scouting, but in our community, region and nation.

Please plan to generously support the Boy Scouts in your 2017 charitable giving, and reserve your table now for the Eagle Breakfast event on **Thursday, April 13th** at 8 AM in the Saturn V Hall of the Davidson Center at the U.S. Space and Rocket Center. Distinguished Eagle Scout and U.S. Senator **Luther Strange** will be our guest of honor and keynote speaker for the event. In addition, we'll honor three local heroes with the Greater Alabama Council's Heart of the Eagle Award for their impact on our community. This year's recipients of the Heart of the Eagle are Skylab astronaut **Dr. Owen Garriott**, **Bruce Summerville** of Inline Electric and **Lonnie McMillan** of HudsonAlpha

Our committee has a great group of leaders, one of whom will contact you shortly asking for your continued support. Please see the commitment form to plan how you can make a difference for these young lives. We ask you return your commitment form no later than **Friday, March 30** to ensure your seat at the breakfast.

Thank you for supporting the Scouts. See you at the Eagle Breakfast.

Best regards,

Dr. Deborah Barnhart
